Dear Pam:

McFarland and Hullinger is requesting the release of the Certificate of Deposit that underwrites the Reclamation Bond for the Crystal Mine, Permit No. ACT/045/010. As you are aware, the mine site was reclaimed in the fall of 1983 and followed the advice of reclamation soil specialist Thomas L. Portle in our re-seeding effort.

We understand the requisite time has elapsed and the Certificate of Deposit can now be released to us. We appreciate your assistance in this matter.

Yours Very Truly,

Sid K. Hullinger  
General Partner
